

FOUNDATION LEADERSHIP WORKSHOP

This workshop is a life changing experience! It will enhance your skills to help you build a solid foundation for your career. In this transformational session, you will get insights and tools to become a more impactful leader.

This 2-day workshop is designed to help you develop skills to achieve your career goals and drive change in yourself and your organization. 360° assessment, self-reflection, peer feedback and coaching from experienced facilitators will help you better understand your strengths and develop a robust plan for your career advancement. You will also gain insights in different areas of impactful leadership, like e.g. interpersonal effectiveness, communicating with impact, influencing and energy management. You will leave this workshop, inspired and empowered with an "everything is possible" attitude.

Prior to the workshop you and 10 of your peers will be asked to complete a 360° personality assessment questionnaire. You will receive your MBTI profile and have an individual coaching session, which will be the basis for you to work on during the session.

OUTCOMES

You will

- better understand the facets of your personality on a professional and personal level
- develop a better understanding for other personality profiles and get tips how to better manage or work with others
- gain insights in different areas of impactful leadership, like e.g. interpersonal effectiveness, communicating with impact, influencing and energy management
