

NETWORKING EFFICIENTLY

Networking is a critical skill for career success. Yet, finding the time and confidence to make it happen is not always easy.

This workshop is designed to help you become a skilled networker. Experienced coaches will share insights about what networking is and give you practical tips how to tap into the power of networking and feel confident about it. We will explore the necessary mindset and skills to prepare, network and follow up. This workshop is hands on, feedback rich and engaging. At the end of this session, you will have taken concrete steps to network more effectively, more efficiently, and with more fun!

OUTCOMES

You will

- have a clear understanding of what networking is (and what not)
- master the key steps of networking, preparation and follow up
- experience the real power of your own network and be able to tap into it
- network with the right attitude and mindset so you will attract the right people
- Reach your goals faster and execute daily tasks more efficiently
- feel more comfortable at networking events

Target Audience

- Junior to mid-level high potential female managers with at least 8 years of working experience and ideally first leadership experience
- Max. 25 participants from different Advance member companies

Format

- One day workshop (1 credit per participant)
- Additional credits can be bought for 1'100 CHF per participant
- Language: English

Registrations

- Via the member area of the Advance website
